

PROFILE

I am an enthusiastic, self-motivated, reliable, responsible and hard working person, with interests in graphic design, animation, 3D modeling, web development. Currently studying Creative Technology and Design at the University of Colorado Boulder within the ATLAS Institute.

EDUCATION

Bachelor of Science in Creative Technology & Design

2021-01 - Exp. 2025-01

University of Colorado Boulder - Boulder, CO

Relevant Coursework

- » **Graphic Design:** Focused on core graphic design principles, including typography, hierarchy, layout, and readability for both digital and print media. Developed a strong foundation in creating visually cohesive and effective designs.
- » **3D Modeling & Digital Fabrication** - Focused on the creation of physical and digital forms using softwares SketchUp & Rhino and fabrication tools.
- » **Web Development** - Gained hands-on experience building responsive websites with HTML, CSS, and JavaScript. Learned about front-end and basic back-end web development.
- » **Motion Design** - Covered principles of animation and dynamic content creation for digital media using Adobe After Effects.
- » **User Experience Design** - Studied user research, wireframing, and prototyping for creating intuitive digital interfaces and experiences.
- » **Data Structures** - Developed a foundation in algorithms, arrays, linked lists, trees, and sorting techniques using C++.
